Downtown Oronoco Gold Rush is a community supported event held every year on the 3rd full weekend in August.

The historic town of Oronoco was the site of a gold discovery in 1858. Subsequently companies were formed to recover that gold. The rampaging Zumbro river put an end to the mining operation.

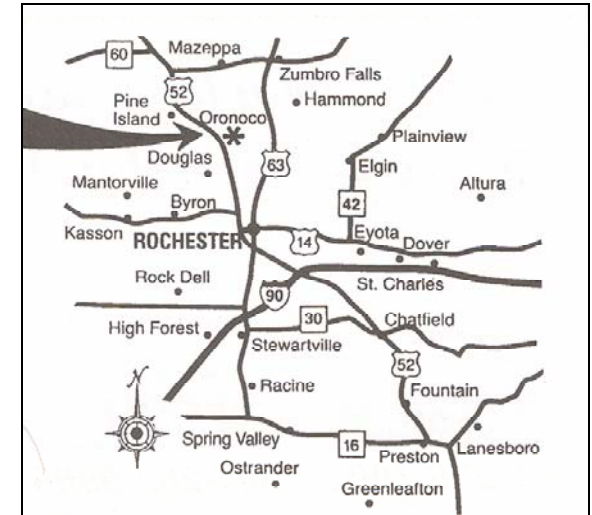

The once gold mining town is now a town of 900 inhabitants that grows with over 50,000 visitors during the Downtown Oronoco Gold Rush event.
