

**Welcome Vendors & Shoppers To**  
***Downtown Oronoco Gold Rush Days***  
***August 14, 15, and 16, 2009***

The North and South interchanges are both open going into Oronoco.

Food vendors are allowed to set-up at 6:00 a.m. on Thursday and must be finished no later than noon. Volunteers will be marking the vendor lots throughout the morning and early afternoon. Depending upon weather, and if the flags are all in place, vendors will be allowed to go to their spaces. Please wait until 4:00 p.m. to begin the actual set-up of merchandise in your booth. There are no restroom facilities on the road in the waiting area, so please use common sense when planning your arrival time.

You'll have plenty of daylight left to set-up. We hope you have a great show and thanks for coming!
